

Sunday 1st February

Changes

Unless you are a Minister or Local Preacher, you have perhaps never thought how the Circuit Plan is put together. Approximately 2 months before the first Sunday of a quarter, preachers are asked to give their availability or not for each service in the following quarter. This can mean that you have to think at least 5 months ahead to give this information. It's easy if you know dates of (say) holidays but not easy when situations occur which mean you cannot take a service as planned.

This is when you have to rely on the good will of other preachers to 'swap' dates or even take your place without being able to return the favour. Thankfully such good will readily exists. It does however mean that the original plans have to be changed.

How readily do we respond to changes which have to take place outside our control? Are we accepting of these or find ourselves upset? Luke chapter 8 tells of a call to Jesus to go to the home of Jairus to help his daughter who was dying. As Jesus and his friends made the journey they were interrupted by a woman

who also required healing help. I wonder what Jairus thought about this delay particularly when he received word that his daughter had died. Why did Jesus change the plan of a direct visit to help the family? It was then too late! God in Jesus knew best and the story ends with the little girl being raised to life.

Maybe if a preaching appointment (or the writing of these Bulletin notes) has to be changed then God will use the changes to speak to someone in the way they need at just the right moment. Let us continue to trust him and believe he knows best even when we question changed circumstances.

## **Changes to your Weekly Bulletin**

Over the next couple of months, we will be working on simplifying the weekly bulletin to reflect the new structure within Cumbria Methodist Circuit, recognising this is produced by the PMC admin team and not a Circuit admin resource. We also need to reduce the amount of time it takes to prepare. Our aim is to keep the most important pieces of information in the bulletin, but to remove some of the items, especially those which can be found in other places. As we strive to care for the environment, we also need to reduce the length of the notices in view of the number of copies which are printed each week, either by the PMC office, or by people at home. We understand that not everyone will like the changes we make, so when all the changes have been made and we've had time to get used to them, we will ask for your feedback so a further review can be done as appropriate. *Rev Julia & Niamh*

### **A Date for your Diary**

The Carlisle Refuge Van will be at PMC **10am Tuesday 17th March** and welcomes your contribution.

They have especially asked for contributions of canned and long-life food. They tell me their stocks are somewhat depleted after the winter.

The Refuge is always grateful for any gifts of bedding, children’s cots, high-chairs etc, kitchen equipment, small items of furniture (no electrical goods please), and clothing.

All items must be clearly marked i.e. size & gender suitability and must be clean and in good condition.

The Refuge are always so very grateful for our kindness and continued support.

The RSPB's Big Garden Birdwatch

This Lent, take part in Climate Steward's Carbon Fast. Lent is a time when Christians traditionally fast and focus on God. The

Carbon Fast will help you consider ways to live more simply, give you new ideas to cut your carbon footprint and invite you to focus on God and consider the whole of his creation.

Beginning on 18th Feb, you'll receive a weekly email containing key facts, suggestions for how you could reduce your carbon footprint and a prayer to lead you through this Lenten season. Each week features a different theme designed to help us take climate action in manageable ways that bear witness to a God who has promised to restore all of his creation.
