## **Things have Moved**

You may feel that things you need have moved, that's because part of the Publicity and Promotions team, and other very valuable volunteers, set about making the Church Building a more welcoming, tidy and cohesive space for Worship and welcoming people from the community. This will be a work in progress and more help may be needed at a later date. Please bare with us over the coming months.

If you find you can't find something just speak to Anne or Rachel and we will try to help you.

There is a large selection of devotional books and other helpful materials in the main link, please help yourself and take anything you think will be useful to your home. We plan to donate any books and other material to overseas projects. You have until the 14th June, then they will disappear.

## Thanksgiving Service for Moira Smith

We were saddened to learn of the passing of Moira Smith on Wednesday 27<sup>th</sup> May. Please hold her family and friends in your prayers as they come to terms with her passing, though recognising that Moira is now at peace and has risen in glory.

A Thanksgiving Service for Moira's life will be held at Penrith Methodist Church on the morning of 22<sup>nd</sup> July, followed by lunchtime refreshments at Roundthorn. The exact timings will be clarified at a later date.

A Day in the Lakes - Thursday **13th August**

Churches Together in Penrith are again planning a Day in the Lakes for refugee families and need volunteers to make this happen. This might include taking some children, with their accompanying adults, for a walk down to the water's edge at Glenridding, or helping in the kitchen, serving drinks, playing indoor or outdoor games or whatever else is needed on the day. Volunteers are needed to be at Glenridding Village Hall at 10:30am to help with the set up and then to welcome our visitors from 12 noon. They will need to bring their own packed lunch. Tea and cakes are provided in the afternoon before everyone travels home.

We also need volunteers (could be some of the same people or others) who will help plan the day over the coming weeks.

If you are able to help either on the day or on planning group, please contact Peter or Vivien on 01768 891878, or email pavdav2019@gmail.com. If you need a lift, please contact Rev Julia.

We need to know by Monday 15th June if you will be available as sadly without sufficient helpers we might have to cancel the event. Many thanks.

Easy Eco Tip – June:

Take part in citizen science or a local nature event. Citizen science is a way for ordinary people to get involved in scientific research or data collection. There are many projects to choose from and it's easy to make a contribution. Invite others to get involved with you too. Here are some projects that you could help with:
