

## Weekly Bulletin

### Sunday 12<sup>th</sup> October

#### Changing Seasons

*A symphony of yellow, bronze and copper hues,  
it's nature's great festival on the back of a  
harvest full moon.*

*We are called to gather and appreciate life's  
gifts,  
routines now revitalized; our rhythms must  
shift.*

*The promise of change swirls through crisp air,  
an apt reminder, change is a truth by which we  
can swear.*

*Nature moves us through the seasons of time,  
each one with a unique offering to embrace  
being alive.*

*Transformation is beautiful,  
being here in the world is a gift.*

*Celebrate this new season and receive the  
bounty of fall,  
bask in this moment, rejoice and embrace it all.*

This poem by Emily Madill is a beautiful summary of Autumn and invites us to reflect on how we are constantly changing. Constantly transforming. And how we are called to enjoy the gifts of harvest.

Personally, I am reminded that no harvest is worth having if it isn't shared with others. Food and stories shared round a table aren't worth sharing if it's not done as a group. Jesus was great at sharing food with others. On more than one occasion this was with a huge crowd who had very little to eat. He would sit with the marginalised and listen to the stories of those who were hurting and tired. He would then offer up his own stories in order to lift people up, share joy, or teach a lesson. I hope in this season of harvest, we can seize the opportunity to share what we have with those less fortunate than ourselves and be blessed by the stories they bring to the table.

We at PMC would like to offer our best wishes to Roger Morton, who celebrated his 80<sup>th</sup> birthday on the 8<sup>th</sup> of October.

We hope you had a great day Roger!

## **Volunteers needed**

Our lovely building here at PMC relies on a team of volunteers alongside the use of professionals where needed to keep it running smoothly and safely. We would love you to give prayerful thought as to whether keeping our building fit for the community we serve is something you feel called to help with. In particular we currently need a person or team to be our Health & Safety Officer, Fire Officer and manage the First Aid boxes.

If Health & Safety isn't your thing but you are interested in contributing to the Property Team in another way, we would be delighted to hear from you.

Please have a word with Rev Julia or Don Agus.

Fauré's gentle *Berceuse* and Ravel's spectacular *Tzigane*, inspired by Hungarian gypsy music, complete the programme. ### **World Day of Prayer**

For several years a Preparation Day for the annual World Day of Prayer has been arranged for Branch Secretaries who live in Cumbria or nearby. We have found that being with others for such a day is an encouragement to a deeper engagement with the service and the movement. Maureen Colbert, the Northern Region Co-ordinator, will give us all the latest news from the National Committee. The Preparation Day for next year's service will take place on **Tuesday 21 October 2025** from **10.00 – 15.00** hours at **Langwathby Methodist Church**, Langwathby, Penrith, Cumbria, CA10 1NB .

Our sisters from Nigeria have spent the last few years developing the theme: "I will give you rest, come" based on Matthew 11:28. The 2026 service is to be held on Friday 6 March. At our Preparation Day a limited range of resources will be available to buy. Please contact Mary Elliot ([maryeinbox@gmail.com](mailto:maryeinbox@gmail.com)) for more details and to book a place.

## Carlisle Refuge

A gentle reminder, Carlisle Refuge will be sending their van to PMC on **Monday 20th October**, expected time of arrival 10am.

I just wanted to give you some background to the work of the refuge and their position regarding funding.

The Refuge is there to support anyone who finds themselves homeless and is a charity operating in a building provided by Cumberland Local Council, previously Carlisle City Council. They work hand in hand with CLC to rehouse anyone who is ready to be rehomed. Although the Council provides the houses/flats etc., they do not provide any furnishings. The Refuge is heavily reliant on gifts of household items in new or as new condition.

If you can help in any way they are looking for:

- Single bed linen
- Towels
- Kitchen Utensils
- Pots and Pans
- Crockery and Cutlery

It is likely that a lot of homeless people turn up at the Refuge with only the Clothes they are wearing, so the following items are also very much appreciated:

- Warm clothes for Men, Ladies and children - these should be clean and in good condition in sealed bags, labelled with who they are suitable (e.g. boy 4 to 5 y/o)
- Small items of furniture, bikes, toys, babies' cots, push chairs etc.

As Christmas is in the not-too-distant future it would also be lovely to gift and wrap small gifts again - please say who they would be suitable for (Woman, Man, Girl, Boy or Baby). Gifts might be toiletries, sweets, small toys etc.

Finally the Refuge have set up a fund to help with any aspect of education in memory of our dear friend and previous organisation of these collections, Keith Scott. If you would like to give a monetary donation, please hand it to me either at the Sunday Morning service the day before or on the day of the collection.

Please keep any donations until the day before collection or the day. If you have difficulty with this, please contact Anne MacDonald on 07827530799 to arrange an alternative. Storing items at the church is difficult and could present a fire hazard.

Finally, these people become homeless for very many reasons and often through no fault of their own. Please give generously and pray for the work of the refuge and the blight of those in need of its services.

Thank you. Anne

## Easy Eco Tip – October:

### **Taste the difference!**

Local and seasonal food not only tastes great but is better for the planet too. Think about incorporating locally grown produce into your diet and shopping list throughout the seasons, as it is harvested at its peak ripeness ensuring superior flavour, compared to imported alternatives that have travelled thousands of miles. If saying grace before a meal is a regular practice in your household, include giving thanks for your local food producers this month.

## Ukraine

In spite of hopes and promises, Ukraine still desperately needs our help. Some of the urgent and ongoing needs are:

- Soap
- Shampoo
- Toothpaste
- Toothbrushes
- Paracetamol
- Washing Powder
- Nappies for babies
- Sanitary Towels
- As always, CANDLES (Preferably plain wax ones, either new or partly used)

If you can give just one of these items you will be making someone's life a little bit easier.

Many thanks.
